We feel privileged to remember the names of your loved ones this holiday season. We appreciate all of your requests and our staff and volunteers make every effort to read and spell every name correctly.

Amazing grace, how sweet the sound  
that saved a wretch like me

I once was lost but now I'm found;  
was blind, but now I see

'Twas grace that taught my heart to fear  
and grace my Fears relieved

How precious did that grace appear  
the hour I first believed

Through many dangers toils and  
snares we have already come

'Twas grace hath brought us safe thus far  
and grace will lead us home

Amazing grace, how sweet the sound  
that saved a wretch like me

I once was lost but now I'm found;  
was blind, but now I see

# *Lights for Life*

*by Nadine A. Allen*

Gaze upon this lighted tree  
Accepting the blessings that it sends,  
Knowing each light bears a name  
of Family and friend.

Lights for life, showing the way  
In a world that's dark and gray,  
Showing us tomorrow ...  
Can be a brighter day.

Lights for life, reflecting Faith  
For each of our beliefs,  
To help us now upon this earth  
As we work through all the grief's.

Lights for life, filled with Hope  
Of a time that's yet to be,  
When Peace and Joy will rule the world  
And God will set us free.

Lights for life, aglow with Love  
of loved ones, now gone home,  
A gift to each one of you  
That simply says, "Shalom".

Lights for life, to make us smile  
As our lives we share anew,  
Knowing Faith, Hope and Love  
Will always see us through.

May these lights of life, refresh you  
As holiday seasons now begin  
Knowing God's love is always near  
Again and Again and Again...

# We Remember Them

At the rising of the sun and at its going down,

**ALL: We remember them.**

At the blowing of the wind and in the chill of Winter,

**ALL: We remember them.**

At the opening of the buds and in the rebirth of Spring,

**ALL: We remember them.**

At the blueness of the skies and in the warmth of Summer,

**ALL: We remember them.**

At the rustling of leaves and in the beauty of Autumn,

**ALL: We remember them.**

At the beginning of the year, and at its end,

**ALL: We remember them.**

When we are weary and in need of strength,

**ALL: We remember them.**

When we are lost and sick at heart,

**ALL: We remember them.**

When we have joy we crave to share,

**ALL: We remember them.**

When we have decisions that are difficult to make,

**ALL: We remember them.**

When we have achievements that are based on theirs,

**ALL: We remember them.**

As long as we live, they too will live;  
for they are now a part of us, as we remember them.

*~Sylvan Kamens and Jack Reimer*
